SAY AU REVOIR
Reception and Farewell at
T. Rain Walker's.

Large Assemblage of Citizens.
Handsome Decorations.
Dance on Lanai.

The farewell of Mr. and Mrs. T. R. Walker in their cosy little home on King street, from 8 to 12 last night, was the very pleasant occasion upon which there were present some 250 or more friends, there being among this number, President and Mrs. Dole, Minister and Mrs. Cooper, Mrs. S. M. Damon, U. S. Minister and Mrs. Sewall, H. I. J. M.'s Minister Shimamura, Captain Cotton and officers of the U. S. S. Philadelphia, Captain Book and officers of the U. S. S. Marion, Captain Kurooka and officers of H. I. J. M.'s Naniwa, members of the diplomatic and Consular Corps and a very large representation of society people.

A large lanai just to the right of the house and connected with it by a canvas covered walk, was the central spot of the evening since the dancing took place there and the refreshment and smoking booths were clustered around it. Here it was too that the decorations were most beautiful. Open as it was on all sides, there was room for the draping of flags of all nations and signal pennants and a liberal sprinkling of palm leaves throughout. Above too, were twisted and wound into artistic form, large and small flags, while along each of the rafters, arched as they were, hung strings of Japanese lanterns of uniform size but various patterns. The Quintette Club was stationed in the Ewa mauka corner and just above them, in red old English letters on white, was the old English verse especially applicable to Christmas time but changed slightly to suit the occasion.

"Now farewell has come,
Let us beat up the drum,
And call all our friends together;
And when they appear,
Let us make them such cheer,
As will keep out the wind and the weather."

Makal of the tent was a small tent for smoking and Waikiki of it were a series of tents where refreshments were served. In these were quite a number of small tables upon each of which was a vase of dainty flowers. The ladies' room was in the house and the men's on the mauka side of the covered walk leading from the house to the lanai.

The yard was a perfect glory during the early part of the evening. All along the driveways and walks and half hidden in the foliage of trees and shrubs on the lawn and in the gardens, were hundreds of Japanese lanterns casting a soft glow over the whole place.

Mr. and Mrs. Walker are to be congratulated on the entertainment they prepared for their guests who went out expecting to have a good time, and were not the least bit at fault in their calculations. After a short reception came the main pleasure of the evening—the dance. Hand in hand with this went the usual round of pleasant social chatter, the little promenades and the enjoyment of the refreshments, prepared for the occasion. At 12 o'clock the last of the guests departed, and a most enjoyable function was at an end.

Australia Arrives.

The O. S. S. Australia, Houdlette commander, arrived yesterday morning on her 14th voyage, 6 days and 17 hours from San Francisco, which port she sailed from at 2 p. m. July 12th. Following is Purser McCombe's report: "Left San Francisco with 39 cabin and 30 steerage passengers; also 50 bags of mail. Experienced the first two days, strong to moderate N. W. winds. Thence to port moderate to light trades, cloudy and rainy. Arrived July 20th, July 19th, at 2:15 a. m., passed S. S. China, 380 miles from Honolulu."

Island Boys Returned.

C. F. Peterson and A. A. Wilder, the two Honolulu boys who just graduated from the Yale Law School with flying colors, returned home on the Australia yesterday morning, looking in high spirits and ready to jump right into business. Especial credit is due the young men since they worked diligently a number of years before going to the States to enable them to take a course of study in law in a place that would count. They saved their money for a good purpose and, after a most successful course, are back again in Honolulu where they are heartily welcomed.

Of Interest to Captains.

On March 3d Congress in the United States passed an act to amend the laws relating to navigation. This went into effect on July 8th. Following is the change relating to "Maltreatment of Seamen:"

"Every master or other officer of an American vessel, who, without justifiable cause, beats, wounds, or imprisons any of the crew or withholds from them suitable food and nourishment, shall be punished by a fine not exceeding \$1,000, or imprisonment for not more than five years, or by both fine and imprisonment."

Alien Labor Law in Force.

OTTAWA, Ontario, July 12.—At the meeting of the Dominion Cabinet tonight it was decided to put the alien labor law in force in Manitoba, the Northwest Territories and British Columbia at once so as to protect Canadian workmen against those coming from the United States. Agents will be appointed immediately to enforce the law.

DEATH OF SENATOR HARRIS.
No Man Identified With More United States History Than He.

WASHINGTON, July 8.—Senator Isham G. Harris of Tennessee died at his residence a few minutes before 5 o'clock this afternoon. The Senator had been growing constantly weaker for several days, the intense heat which has prevailed greatly affecting him, and no doubt hastening his end.

Probably no man in public life had been identified with more history of this country than had Senator Harris. He had almost completed his seventy-ninth year, having been born in Tennessee in February, 1818, and first became a member of Congress in 1849. His Congressional career began earlier than that of any of the members of either house, antedating Senators Morrill and Sherman by seven years and Galusha A. Grow, now a member of the House from Pennsylvania, by one year.

A new section is to be opened in the Imperial Tokyo University, for the training of diplomatic and consular officers.
